

Work plan

The purpose of this Work plan is to provide the information about tasks/activities planned for the 2020 by the L2¹ (TFs and Danube Region Countries) in order to fulfil the milestones during the one year period. Instructions for filling in the work plan are incorporated in the template in italic, while square brackets indicate what should be written in the certain cell and in what order. At the same time, additional rows should be added if needed, while the unnecessary content (rows) should be removed before sending the report to the SG.
